

# How Your Money Helps

\$20 provides 10 information packs to families new to hip dysplasia.

\$40 will pay for an allied health professional to be available via a helpline, or online chat service, for an hour to offer expert and practical support for those in need.

\$80 will enable 2 families to attend support group catch ups for 3-months.

\$161 covers the printing costs for 1000 hip dysplasia infographics, used to increase community awareness for the condition.

\$1000 purchases 1 Portable Spica Chair made available to children post-surgery to increase their ability to engage with their peers.
